

FINANCIAL STATEMENT FOR INTERNATIONAL STUDENTS ON F VISAS

International applicants requesting immigration documents from IUP must submit a financial statement that shows their best estimate of funding sources to support their studies and cost of living. Once a student is admitted, the Office of International Education will work with students to confirm their funding sources (scholarships, loans, assistantships) and request more documentation prior to issuing an I-20. IUP does not offer full scholarships. When applying for an F-1 visa at a US consulate, students will need to share very detailed bank statements, tax documents or additional proof of finances.

Dependent children must be unmarried and under 21 years of age.
