About the schedule

Seoul City Tour Bus

Seoul City Tour Bus will take you to the most popular attractions in Seoul. With just one ticket, you can enjoy a bus ride to and from Seoul's top attractions. Take a look at the beauty of Seoul.

Lotte World

Lotte World is the first indoor theme park in Korea. Here, you can experience exciting rides and see wonderful performances.

Personal Color Consultation

Personal Color Consultation is a popular color test in Korea. You can test what color matches the best on your skin tone. It will be a novel experience.

Traditional Market Tour

Gwangjang Market is one of the most interesting Traditional Market in Seoul. Not only can you taste the delicious foods, but you can also feel the charm of Korean traditional markets.

Namsan Tower Tour

Namsan Tower is one of the most loved landmarks in Seoul. Not only can you overlook the beautiful scenery of Seoul, but you will also see the sea in the distance when the weather is good.

Hanbok experience in Old royal palace

Gyeongbokgung Palace is the Old Royal Palace of Korea. Traditional Hanok architecture and beautiful Hanbok are combined to create a beautiful picture.
